Description: The Little Prince is a modern fable, and for readers far and wide both the title and the work have exerted a pull far in excess of the books brevity. Written and published first by Antoine de St-Exupéry in 1943, only a year before his plane disappeared on a reconnaissance flight, it is one of the worlds most widely translated books, enjoyed by adults...

Review: I thought the translation wasnt great, the binding cracked the first time I opened it, and the pictures are all in black and white. Spend a few extra bucks and get the Richard Howard translation with the color animations. Im sending this copy back....
